

To be considered for NIH COBRE support\* of MCL core fees, please answer the following questions and submit to Dr. Len Thomas.

*A new form must be submitted each billing cycle (monthly).*

Name \_\_\_\_\_ Lab PI \_\_\_\_\_

1. Is this a continuation of a project for which fees have previously been defrayed?

Yes  No

If yes, then go directly to the % defrayal requested.

2. Is your lab currently supported by COBRE Junior Investigator project funds?

Yes  No

3. Is this project considered a "pilot project"? Yes  No

If yes, briefly explain what you are working on:

4. Is your PI a member of the Oklahoma Structural Biology Nexus (OSBN)?

Yes  No

If no, would you like to join? Yes  No

5. Is this project currently funded? Yes  No

If yes, please provide grant agency, project title, award period:

I hereby request:

- 25% defrayal of user fees
- 50% defrayal of user fees
- 75% defrayal of user fees
- 100% defrayal of user fees

The MCL will recover 100% of fees charged. Defrayal of user fees is at the discretion of the COBRE PI (Dr. West) and is dependent on availability of funds.
